Every Day Above Ground

CANCELLED

Early this week, four members of the Sabooge ensemble were unexpectedly turned back at the border between the United States and Canada because their documentation was considered inadequate. Theatre Kingston was informed by Human Resources Social Development Canada (HRSDC) that it would take a minimum of two to three weeks to supply them with the necessary papers to enable them to cross the border. Under these circumstances we had no choice but to **cancel all performances** of *Every Day Above Ground* at the Firehall Theatre.

Patrons who have purchased single tickets through the Grand Theatre will have their money refunded.

Subscribers should contact Theatre Kingston at theatrekingston@hotmail.com or 613-544-2021 if they would like more information.

We apologize deeply to all our patrons for the inconvenience and disappointment.
